Cathedral
2019-2020

**GROWING BEYOND
OUR WALLS**

**ST PAUL'S CATHEDRAL
EPISCOPAL**

Welcome!

St. Paul's Cathedral is a special place. There is something for everyone.

The cathedral is a place for all people to come together and do the work of our mission: *Love Christ, Serve Others, and Welcome All.*

It is special because it is made of the gifts of our individual members; we are a community. Every member of this place adds to it in some special way.

Where do your gifts lie? Where will you share them? What you receive often depends on how much you are willing to share.

Please have a look and see if any existing ministries align with your gifts, talents, and interests. If not, please contact me and let's explore starting something new!

Blessings,

The Rev. Canon Jeff Martinhauk, Canon for
Congregational Life
martinhaukj@stpaulcathedral.org

*The place God calls you to is the
place where your deep gladness and
the world's deep hunger meet.*

Ministry Area: Formation

Ministry Leader: Brooks Mason

Description: Baptism, which is available to persons of all ages, is the rite of Christian initiation and the primordial sacrament of the church. The Cathedral normally baptizes on four yearly dates coinciding with certain church festivals. As a prerequisite, the Cathedral offers instruction. To start this process, a candidate should complete a written request form in the Cathedral office. Holy Baptism is the sacrament by which God adopts us as his children and makes us new members of Christ's Body, the Church, and inheritors of the kingdom of God. Confirmation, a spiritual act, is the rite in which an Episcopalian expresses a mature commitment to Christ, and receives strength from the Holy Spirit through prayer, anointing, and the laying on of hands by a bishop. Since many have become Christian through infant baptism, Confirmation is an opportunity for an individual to make a conscious spiritual affirmation. It is generally expected of all adult, baptized members of the congregation at some time.

Description: The Cathedral can comfortably hold up to 400 guests, and the Lady Chapel (50 people) can be used for more intimate celebrations. Our historic Great Organ is available to create a majestic sound for your wedding procession in either venue. Weddings at St. Paul's may be scheduled for most days of the year, and even in certain circumstances in a regularly scheduled worship service.

Description: Join the women of St. Paul's Cathedral as we gather for a simple supper, themed program, guest speakers and discussions on what it means to be a Christian woman in a diverse world. Together we seek to deepen our faith as we interact with the rest of the world and explore the challenges women everywhere face in their daily lives.
