**1. What brought you to St. Paul's Cathedral and why did you stay?**

My wife, Beverly and I moved (from San Francisco) to San Diego in August 2017. The primary reason for our move was to care for her mother and uncle. On our many visits to SD during prior years, we met several people who attended SPC, in particular our dear friends Tom & John and Adele. After our move, we decided to begin attending SPC and quickly found a new church home where we were warmly and effusively welcomed, encouraged to become members, and invited to serve several different ministries.

**2. With what activities or ministries have you been involved and how?**

My activities have included: monthly ushering for Sunday 10:30 service; co-chair of the LGBTQ Community Life (formerly Integrity) group; host for summer community gatherings; assisting with SPC participation at the Pride Parade (sponsored the trolley); table captain at 100<sup>th</sup> Anniversary Gala; attend/volunteer Women Together meetings; being a delegate for the Diocesan Convention; provided support for St Paul's Senior Housing & trees in Balboa Park. Recently I have joined the SPC Marketing Task Force.

**3. To which strategic goal area would you most want to be a Chapter Liaison (Cathedral for the City Community Formation, Music & Arts, Outreach & Justice or Worship)? Why?**

Marketing Task Force. I recognize that we are in exceptionally challenging times because of the current health pandemic. This has had a profound impact on the SPC community, the programs we offer, and (likely) our revenue base. In regard to the latter, I am pleased to lend my marketing expertise toward creating a strategic plan that identifies and facilitates outreach for new revenue sources and increased facility use capacity.

LGBTQ Community Life. I would like to continue serving the LGBTQ community at SPC and explore outreach avenues to foster partnerships with other organizations in SD and present SPC as a spiritual home for a diverse congregation.

**4. What attributes and gifts do you bring to the ministry of Chapter (please include any pertinent educational, professional or community experience)?**

During my 40+ years in San Francisco, I served on the vestry of two Episcopal churches. At one, I chaired the Search Committee (nominated by parishioners to call our new priest). I served on numerous parish committees and was a delegate to the annual Diocesan convention. I was also a member of Grace Cathedral, as my son attended Cathedral School for Boys.

In regard to my participation with non-profit organizations, I have served on the board of directors for The Family Link (in SF) and the California Association of Free & Charitable Clinics (in SD). In 2001, I founded the national Mobile Healthcare Association and Annual Conference, serving as the CEO/Executive Director until retiring in 2015.

My business career spans 56 years and includes: the advertising agency industry (in NYC and SF); starting/owning a healthcare publishing rep company; and launching/operating my own conference-meetings management company. I currently own and operate a company specializing in healthcare marketing and sales, offering healthcare organizations nationwide strategic solutions and guidance related to their community outreach initiatives.

**5. Why do you feel called to serve on Chapter?**

I have been blessed with gifts, experiences, and resources that I would be honored to share with my SPC community in order to realize St. Paul's mission, ministry, and short/long-term goals; and, perhaps, to be a part of (as said by Bishop Susan in her 9/6 message) "a spiritual revolution of love and reconciliation". I feel that my work in ministry at St. Paul's allows me to answer God's call to serve others and brings me closer to the diversity that is so wonderfully present at SPC.

1. What brought you to St. Paul's Cathedral and why did you stay? After relocating to San Diego 11 years ago, we visited several Lutheran and Episcopal churches. We chose St. Paul's to be our church home because our daughter uses a wheelchair chair, and St. Paul's has an elevator. We also liked the fact that the children's Sunday School classes were held during the beginning of the worship service. Now that our daughter is an adult, and stays in the church during the entire service, we have all grown to love the community, the liturgy, the music, as well as the various outreach programs.
2. With what activities or ministries have you been involved and how? I have attended Women Together since its inception, and have been on the Steering Committee which chooses the line-up of speakers for many years. I am also responsible for providing the wine at the monthly meetings. I was part of the medical team that served Vida Joven for 2-3 times/year for several years.
3. To which strategic goal area would you most want to be a Chapter Liaison (Cathedral for the City, Community, Formation, Music & Arts, Outreach & Justice, or Worship)? Why? I would pick Formation because I have a bit of experience as a Sunday School teacher at the Lutheran Church that I attended in Mexico, as well as preparing my own children for their first communions and confirmations. I would like to study and learn more, also. Another option would be Music & Arts. I sang in choirs for many years, and was the choir director briefly. I am open to anything.
4. What attributes and gifts do you bring to the ministry of Chapter (please include any pertinent educational, professional or community experience)? I am a physician. I served as Treasurer and President of the Council of All Saints' Lutheran Church for a total of 15 years. I was President of the Junior League of Guadalajara, and received formal Board training from the Association of Junior

Leagues, International. I have served for several years, and am currently Vice-President of my Home Owner's Association.

S. Why do you feel called to serve on Chapter? I have always wanted to dedicate more time to St. Paul's Cathedral. I believe that my skill set could be put to good use now that my circumstances allow me to participate more often.

For the first time in a very long time, I have some opportunity to commit enough time to the good work of the church (family raised, parents passed, more manageable job).

I was contacted by a member of the clergy (Jeff Martinhauk) who asked of my interest.
