

Ministries of the Cathedral 2023

ST PAUL'S CATHEDRAL EPISCOPAL

Welcome!

St. Paul's Cathedral is a special place. There is something for everyone.

The cathedral is a place for all people to come together and do the work of our mission: *Love Christ, Serve Others, and Welcome All.*

It is special because it is made of the gifts of our individual members; we are a community. Every member of this place adds to it in some special way.

Where do your gifts lie? Where will you share them? What you receive often depends on how much you are willing to share.

Please have a look and see if any existing ministries align with your gifts, talents, and interests. If not, please contact me and let's explore starting something new!

Blessings,

The Rev. Richard Hogue, Jr., Associate for
Congregational Life
hoguer@stpaulcathedral.org

“The place God calls you to is the place where your deep gladness and the world's deep hunger meet.”

Archives

Contact: John Will, jjwillcv@gmail.com

The parish of St. Paul's turned 150 in 2019. Our archives hold many historical records and artifacts acquired during its history. We continue to collect and document with each passing year. Our largest challenge at this point is to collect and retain electronic records. If you are interested in this or any other aspect of our archives, please contact the archivist or the cathedral administrator.

Arts Committee

Contact: Ric Todd, ricart2204@yahoo.com

The Arts Committee meets regularly to promote and deepen the arts within the Cathedral community. It relates Cathedral Arts and Culture to its neighbors and the greater San Diego community through collaboration, participating in community cultural events and educational art projects, taking advantage of our museum neighbors in Balboa Park.

Audio/Video Ministry

Contact: Mike Thornburgh, jthornburgh1@mac.com

The Audio/Visual Ministry of the Cathedral volunteers many hours to ensure that the sound system of the Cathedral works during services, and also ensures that the live stream video plays.

Baptism and Confirmation

Contact: Brooks Mason, masonb@stpaulcathedral.org
Baptism, which is available to persons of all ages, is the rite of Christian initiation and the primordial sacrament of the church. Baptism is normally celebrated as part of the principal Sunday service. As a prerequisite, the Cathedral offers instruction. Holy Baptism is the sacrament by which God adopts us as his children and makes us new members of Christ's Body, the Church, and inheritors of the kingdom of God. Confirmation, a spiritual act, is the rite in which an Episcopalian expresses a mature commitment to Christ, and receives strength from the Holy Spirit through prayer, anointing, and the laying on of hands by a bishop. Since many have become Christian through infant baptism, Confirmation is an opportunity for an individual to make a conscious spiritual affirmation. It is generally expected of all adult, baptized members of the congregation at some time.

This standing committee of the cathedral meets monthly to discuss administration of the physical space for the Cathedral and future planning for our campus. It oversees two subcommittees: landscaping and disaster prevention.

Capital Campaign

Contact: Richard Hogue, hoguer@stpaulcathedral.org
The Capital Campaign seeks to broaden the possibilities of our collective ministry by transforming our buildings and grounds, the physical manifestation of our mission. Through prayerful research, conversation, and exploration, this campaign is about the relationships between the Cathedral congregation, our local community of Bankers Hill, and the wider City of San Diego. Regardless of the eventual outcome and the bottom line, we will measure success by the impact we have not only on our own physical space, but by those who hope to welcome and transform through it, including ourselves as St. Paul's Cathedral. We are here to claim and embrace our role as the Cathedral for the City.

Cathedral Choir

Contact: Martin Green, greenm@stpaulcathedral.org
The Cathedral Choir has existed since the late 1800's at the original St Paul's Parish church. It was one of the first vested choirs in San Diego County and continues to support worship services to this day. This choir, which consists of paid professional singers and dedicated volunteers is primarily heard at the 10.30am Mass and Choral Evensong on Sundays offering a wide variety of choral mass settings, motets, and anthems throughout the year.

Cathedral Choristers (see also St. Cecilia Choir for Girls)

Contact: Martin Green, greenm@stpaulcathedral.org

This choir of men and boys was originally founded in 1885 at the original St Paul's church. However, this choir did not prove to be sustainable at this time and was replaced by the choir of mixed voices a few years later. In 1963 the choir of boys and men was re-started by then-Organist & Choirmaster Larry King. Since then, the choir has flourished, and remains the only boys' choir in San Diego, and one of only a handful in the United States. As we emerge from the pandemic we are rebuilding this ministry. The choir is open to enrollment for boys with unchanged voices, age 7 and up.

Cathedral for the City

We also look for opportunities to host significant civic conversations where all voices, and particularly the forgotten voices, may be heard.

The Holy Spirit is truly present with these prayer groups as we deepen our faith by sharing this ancient form of prayer by the Desert Fathers. listed in the newsletter of Contemplative Outreach of San Diego. COSD offers Centering Prayer workshops, follow-up sessions, retreats and other contemplative events. All are welcome who have a hunger to “rest” silently in God’s presence, and are drawn to integrate your body, mind, and spirit into the silence. In our personal practice, we strive to meditate twice daily. “Be still and know that I am God” Psalm 46:10.

Episcopal Young Adult Bible Study

Contact: Richard Hogue, hoguer@stpaulcathedral.org
We're a group of people seeking a broader and deeper understanding of the Bible without taking it at face value. If you seek nuance, join us. While this is a faith-based setting, we actively explore the historical, literary, and personal aspects of Biblical texts critically. We are not Biblical literalists. The Bible may be divinely inspired, but that doesn't mean we check our brains at the door before diving into it. It is a book that has been used and abused by the powerful for too long; we want to open its liberating power and ponder on the deeper questions it leaves us with. If you're ok with faithful tension and open-ended conversation, you'll enjoy this.

Come and see.
