St. Paul's Cathedral acknowledges that we gather on unceded Kumeyaay land. We value the knowledge, culture, and worldview of Indigenous people. We commit to the vital work of educating ourselves, increasing community awareness, and promoting reconciliation with our Indigenous neighbors. As we examine actions and practices that perpetuate harm against Indigenous communities, we pledge to work toward a meaningful and respectful relationship as we follow their example in honoring this sacred land. *Approved by the Cathedral Chapter, May 2023*
